About SameSystem A/S

SameSystem is an international Software-as-a-Service (SaaS) company with local presence in nine countries.

SameSystem offers a scalable, regulatory compliant, and data-driven workforce management (WFM) solution tailored for retail and foodservice.

SameSystem enables retailers and foodservice businesses to maximise performance levels and competencies in their organisations by freeing up time for employees, reducing administration significantly, and helping stores and restaurants plan perfectly.

SameSystem's solution includes AI-powered forecasting, a budget-conscious scheduling feature, automatic payroll processing, digital contracts and signatures, time and attendance tracking, and a business intelligence feature.
